- Find out what insurances you have. You will find information on Mina sidor at [kapan.se](http://kapan.se), in your pension statement, or by calling us.
- Repayment cover means that your family will receive your pension in the event of your death before it is paid out. The money will be paid out firstly to your spouse, your registered partner, or cohabitant, and secondly to your children.
- If you remove the repayment cover, your pension will be higher since you will receive what is called 'inheritance gain'. Read more about this at [kapan.se](http://kapan.se).
- If you get married, move in with a partner, or have children, you can add repayment cover to your existing insurance again. You must do so within one year.
